

Going far beyond the typical “one sign fits all” solution...

SMARTsigns® are simply a family of four distinct sign products, each offering different background materials and special add-on options you mix and match to create functional, affordable signs tailored to your special needs and budgets, meeting after meeting.

| Type | Background Material | Life Cycle | Features | Add-On Options |
|-------------|---|---|---|---|
| EDGE | 1/8" MAXX/ite™ Plastic 22" x 28": Weight: 2.0 lbs 24" x 36": Weight: 2.8 lbs | Reusable 5 yr Limited Warranty | Our most revolutionary design ever. The new standard for extreme durability in a light weight package. Unique black edge and core. Your best long-term investment. Plus, it's recyclable. | <ul style="list-style-type: none"> • SMARTlens® • Directional Arrow • StickR+ Graphics |
| AIR | 1/8" Mid-Density Plastic 22" x 28": Weight: 1.5 lbs 24" x 36": Weight: 2.0 lbs | Reusable | Our lightest, most economical <i>reusable</i> sign option. With proper handling, durable enough to last multiple meetings. Good choice for those on tight budgets. | <ul style="list-style-type: none"> • SMARTlens® • Directional Arrow • StickR+ Graphics |
| ECO | 1/8" Recyclable Pulp Board 22" x 28": Weight: 0.95 lbs 24" x 36": Weight: 1.3 lbs | One-Time Use | Priced the same as FOAM signs. An earth-friendly, recyclable alternative. Add optional SMARTlens® for control and cost-savings. | <ul style="list-style-type: none"> • SMARTlens® • Directional Arrow |
| FOAM | 3/16" Foamboard 22" x 28": Weight: 0.57 lbs 24" x 36": Weight: 0.80 lbs | One-Time Use | Traditional lightweight foamboard. Our lowest-priced sign type. Add optional SMARTlens® for control and cost-savings. | <ul style="list-style-type: none"> • SMARTlens® • Directional Arrow |
